

OREGON BLUEBERRY INDUSTRY

Clamshell Labeling – Trace Back Requirement

- 1** The letter code for each packer. Packers are to supply the Oregon Blueberry Commission with their code designation.

Example: Columbia Fruit Cooperative could be CFC

- 2** Each packer's growers should each have a unique three digit identification number. Grower numbers are to be assigned by the ODA.

- 3** Each grower's production field or production block should have a unique three digit number. Field or block numbers must be indicated on the production field maps supplied to the Oregon Department of Agriculture.

Clamshell Labeling Example:

CFC	236	101
		
Packer ID	Unique Grower Number Assigned by the ODA	Grower's Field or Block Number
